AGILITY AKC CHANGES

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend and Multiple Jump Heights Within the Same Trial Day.

Effective, January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed. Please note that is a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20" Master STD/JWW while also entered in 24C inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in the mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby indicating which class(es) and/or jump heights belong together for each trial day of the weekend. When calculating entry fees, treat multiply entry forms for the same dog as if only one entry form had been filled out.

FOR EXHIBITION ONLY (FEO)

As of January 1, 2021 this has become a permanent part of the AKC Agility program. This may be offered at the option of the host club. FEO is only allowed in T2B and FAST classes.

FEO will be offered all 3 days at the NAKC trials (FAST is on Friday and T2B is on Sunday)

- The exhibitor must be entered in T2B and/or FAST.
- Participation in FEO is non-qualifying.
- FEO runs are treated as trial entries.
- The exhibitor must enter the class (T2B and/or FAST) prior to closing date, pay class entry fee(s) and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class.
- **FEO does not need to be noted on the entry form; the exhibitor will declare the day of show and let the judge and scribe know.**
- FEO may be declared earlier (i.e. when checking in at the gate board).
- Toys are allowed in the ring.
 - Toys must be non-audible
 - Toys must not leave the exhibitor's hand
 - Toys must not roll freely
- Food and treats are not allowed in the ring.
- .

- Harsh verbal and/or physical corrections shall not be tolerated.
- Any determinations of harshness by the judge shall be immediately whistled, and the exhibitor will be dismissed from the ring.

Fix and Go (FNG)

As of January 1, 2021 this is now a permanent part of the AKC Agility program. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a nonqualifying score.

COVID GUIDELINES

- **Masks** - will be required while in the building except when running your dogs or while eating/drinking.
 - You may take your mask off to run your dog but must be put back on as you leave the ring.

NAKC HAS THE RIGHT TO CHANGE THE RUNNING OR CLASS ORDER ACCORDING TO NUMBER OF ENTRIES AND POSSIBILITY OF CONFLICTS ON DAY OF SHOW.

JUMP HEIGHT CARDS – NOTE NEW RULES EFFECTIVE 1/1/10

All dogs competing in agility must **possess** an official AKC Jump Height Card. An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog’s second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog’s second birthday. All dogs **except those jumping 24” (unless a VMO or AKC representative is present)** without permanent or temporary height cards must be measured. This measurement will only be valid for that weekend of trials only.

You are not required to show your height card or send a copy with your entry. You are required to mark on your entry form your dog’s height card status. It is the exhibitor’s responsibility to request measurement. If the dog does not have a valid Jump Height Card or form it must be measured by a VMO, AKC Field Representative or by the judge(s) of record before it runs and failure to do so will result in the cancellation of any qualifying scores.

New Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be officially measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the Dogs To Be Measured List. It is no longer required that you submit a copy of your dog’s jump height card with your entry form or show it during day of show check-in.

All move-up entries are subject to availability of the class and payment of any difference in entry fee. It is the option of the club to allow move-ups. Dogs so moved-up will be entered at the end of the running order. Refer to Chapter 1, Section 20 of the Regulations for Agility Trials for additional move-up requirements.

Move-up forms will be available at the Secretary’s table for Saturday’s and Sunday’s trials.

WARM-UPS

Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. The walk through period allows handlers to plan their strategy running the course and will be held prior to each class, following the judge’s briefing. A warm-up area, consisting of a regulation agility jump, shall be provided. The walk through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

INSTRUCTIONS

Handlers may opt to enter in a higher height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial *or back-to-back trials* only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine PartnersSM program may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner? _____
